ROLES AND RESPONSIBILITIES

The Building Maintenance position will be responsible for the day-to-day building maintenance of two buildings. This position will work under little to no supervision to ensure all equipment, lighting and operating systems are in good repair and working correctly in addition to general maintenance of all systems.

Other duties, responsibilities and activities may change or be assigned at any time with or without notice.

ESSENTIAL FUNCTIONS

- Must be able to lift 50 pounds unassisted
- Ability to crouch, twist, bend, kneel and stoup for 8-10 hours at a time
- Use of hands to operate and assemble
- Must be able to work in acclimate weather

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

QUALIFICATIONS AND EDUCATION REQUIREMENTS

A high school diploma or equivalent is required and a minimum of two years' experience in a maintenance position required.

Compression Leasing is an Equal Opportunity Employer.
